<p>9</p>	<p>The General Meeting grants all powers to the Board of Directors, with option to delegate, to buy-back, either directly or through a subsidiary of the Company, shares of the Company for a period of five (5) years following the date of the present General Meeting. In particular, the General Meeting resolves that the aggregate nominal amount of the shares of the Company which may be acquired may not exceed 50% of the aggregate nominal amount of the issued share capital of the Company from time to time, at the date of exercise of the present authorisation.</p> <p>In each individual case, the buy-back is to be conducted, at the choice of the Board of Directors or the management committee, if delegated by the Board of Directors, (i) through the stock exchange, or (ii) by means of a purchase offer addressed to all shareholders, or (iii) by means of a public invitation to submit a sale offer, or (iv) by means of issuing tendering rights to shareholders.</p> <p>i. To the extent that the buy-back is conducted through the stock exchange, the repurchase price per share (excluding any ancillary buy-back costs and without any tax gross-up obligation) paid by the Company may not exceed by more than 20% or fall short of 50% of the price for a share of the Company in Xetra trading (or a functionally comparable successor system to the Xetra system) at the Frankfurt Stock Exchange ascertained on the trading day by the opening auction;</p> <p>ii. To the extent that the buy-back is conducted through a purchase offer addressed to all shareholders (the "Offer"), the repurchase price per share (excluding any ancillary buy-back costs and without any tax gross-up obligation) offered and paid by the Company may not exceed or fall short of, by more than 20% of the average of the closing prices of shares of the Company in Xetra trading (or a functionally comparable successor system to the Xetra system) at the Frankfurt Stock Exchange on the last two exchange trading days before the date of the publication of the Offer. In the event that a significant change in the share price occurs after the publication of the Offer, the Offer may be adjusted. In case of an adjustment, the reference price is the closing price of the last exchange trading day before the date of the publication of the adjustment, and the 20% limit for exceeding or falling short shall be applied to this price. In the event that an Offer is oversubscribed, the buy-back may be conducted in accordance with the proportion of the shareholdings held by the tendering shareholders in relation to each other (shareholding quotas) or in accordance with the proportion of the tendered shares (tendering quotas). In addition, (i) in order to avoid fraction of shares, rounding may be applied and (ii) a preferential acceptance of small numbers of shares may be provided for. The Offer may also stipulate additional conditions;</p>	<p>452,449,262</p>	<p>322,151,856</p>	<p>129,532,906</p>	<p>764,500</p>
----------	---	--------------------	--------------------	--------------------	----------------

<p>iii. To the extent that the buy-back is conducted through a public invitation to all shareholders to submit a sale offer, the Company will determine a price range per share within which the sales offers can be submitted. The purchase price per share offered and paid by the Company (excluding incidental acquisition costs) may not exceed or fall short of, by more than 20% of the average closing prices of shares of the Company in Xetra trading (or a functionally comparable successor system to the Xetra system) at the Frankfurt Stock Exchange on the last two exchange trading days before the date of the publication of the public invitation to submit a sale offer. If after the publication of invitation to submit a sale offer there are significant deviations in the relevant share price, the invitation to submit sale offer may be adjusted. In case of an adjustment, the relevant reference price shall be the closing price of the last trading day prior to the date of the publication of the adjustment. In the event that not all sales offers of an equal value can be accepted due to the volume limitation, the buy-back may be conducted in accordance with the proportion of the shareholdings held by the tendering shareholders in relation to each other (shareholding quotas) or in accordance with the proportion of the tendered shares (tendering quotas). In addition, (i) in order to avoid fraction of shares, rounding may be applied and (ii) a preferential acceptance of small numbers of shares may be provided for. The public invitation may also stipulate additional conditions;</p> <p>iv. To the extent that the buy-back is conducted through issuing tender rights to the shareholders, these shares can be allocated per share held in the Company. In accordance with the ratio of the Company's share capital to the volume of shares to be repurchased by the Company, a correspondingly fixed number of tender rights entitles the holder to sell one of the Company's shares to the Company. Tender rights may also be issued in such manner that one tender right is issued for a number of shares determined on the ratio of the Company's share capital to the buy-back volume. Fractions of tender rights shall not be issued and in this case, the corresponding fractional tender rights shall be excluded. The price or the limit values of the offered purchase price range (each without incidental acquisition costs) at which a share can be sold to the Company upon exercising the tender right is determined in accordance with the provisions of paragraph (iii) above, with the relevant determination date being that of the publication of the repurchase offer granting tender rights, and be adjusted as necessary, with the relevant adjustment date being that of the publication of the adjustment, if any. The Board of Directors, with option to delegate, shall determine the details of the tender rights, in particular their content, term, and, if applicable, tradability.</p> <p>The Company is authorized to use the shares that have been or will be acquired as a result of this authorization or by any other reasons, in addition</p>

	<p>to selling them on the stock exchange, for all other legally permissible purposes, in particular, but not exclusively, for the following purposes:</p> <p>i. The shares may be sold against cash or against contributions in kind for any purposes or used in order to fulfil obligations or to secure obligations or rights to acquire shares in the Company, in particular under convertible bonds, warrant bonds, profit participation rights and/or participating bonds or combinations thereof issued by the Company or its Connected Companies as defined under article 4.4. of the Company's articles of association; or</p> <p>ii. The shares may be offered for acquisition or be promised and/or transferred, as part of any management incentive programme to employees of the Company or its Connected Companies, to members of the Company's Board of Directors or management committee as well as to members of the managing bodies of its Connected Companies; or</p> <p>iii. The shares may be offered to all shareholders, so that they may acquire shares of the Company in exchange for the (also partial) assignment of their claim to the payment of the dividend, which comes into existence with the resolution of the Company's annual general meeting of shareholders (scrip dividend).</p> <p>Any acquired shares under the buy-back authorization shall be held by the Company or by a subsidiary of the Company as treasury shares with their voting and dividend rights being suspended for the period of time they are held by the Company or by a subsidiary of the Company and are available for distribution by the Board of Directors, or the management committee, if delegated by the Board of Directors, at its full discretion without applying a principle of equality among shareholders.</p> <p>This authorisation may be exercised by and all powers are granted to the Board of Directors, with the power to delegate, to ensure the implementation of this authorization.</p> <p>In addition, the Board of Directors will convene at least once a year an extraordinary general meeting of the shareholders of the Company ("EGM") to decide on a reduction of the share capital of the Company, if the Company has acquired under its buy-back programme more than 30% of the aggregate nominal amount of its issued share capital from time to time. The reduction amount to be decided on such EGM shall be equal to the total number of shares with a nominal value of one cent (EUR 0.01) each exceeding the 30% threshold, as described above.</p>
